In Memoriam

Kenneth B. Masera

April 8, 1946 — February 12, 1994

Ken Masera, an Auto Body Instructor at Greater Lowell Regional since October 1976 will always be remember by both students and colleagues. He was a man of exceptional warmth and wisdom and his loss leaves a void in many of our lives that will not be readily filled.

Kenny was an outstanding instructor, and man whose natural abilities of leadership inspired and enlivened the lives of his students and guided them to their finest achievements. He was liked by teachers, administators, and support personnel throughout the district. Indeed he earned the respect of everyone with whom he came into contact.

Kenny was a man we cannot forget. For us who are left, he will continue to live in our memories and in our hearts. We know he is gone to the rest that he so ably earned, and we can take comfort in the fact that a part of him will continue to live on. Reflected in the lives of the students he has instructed and guided over the years.

-A Time to Remember-

The class of 1994 would like to take a moment to remember and pay a tribute to Daniel G. Godfroy, an oustanding fellow classmate. who passed away during his junior year here at Greater Lowell.

Daniel was a warm and caring individual who always made an effort to help others. His gentle smile and unassuming personality touched the hearts of everyone who had the privilege of knowing him.

Even in death, Daniel is still helping others. The Godfroy family establised a scholarship fund in their son's memory. The Daniel G. Godfroy scholarship is awarded to graduating Food Technology students who plan to continue their education beyond high school.

The class of 1994 salutes Daniel G. Godfroy — his memory will be in our hearts forever.

MESSAGE FROM THE SUPERINTENDENT-DIRECTOR

Congratulations to the graduates of the Class of 1994. It is already tomorrow. Time — which never stops on its journey — has passed before your eyes and you are now members of the community, looking back on the years you spent at Greater Lowell Regional Vocational Technical School. When you do look back, the photos, facts and memories in this book will be your stepping stones a happy reminiscence.

You should be both proud and grateful as you now enter a new segment of your life, a segment for which you are hopefully well prepared following your years at Greater Lowell. It is extremely important that you continue to pursue your future goals so that you will be able to challenge this next segment of your life with the same style and determination that you displayed during your high school career.

May your memories of Greater Lowell Regional Vocational Technical School be pleasant ones, and may your futures be filled with happiness and success.

In Dedication and Memory of Sandy B. Codeiro

You were so gentle and kind, we LOVE you SANDY — you didn't deserve to die.

You laid down your life to be with Our Father in Heaven,
I pray that you will protect me and one day we'll be together again.
It seems as though it was only yesterday I met you,
and feels like forever that I've known you.
You were always such a wonderful friend,
it's gonna take a lot for the pain to end.
As I long to hug you I wonder when will I see you again,
I wonder when will my heart beat again?
With the gleam in your eyes and a sparkling smile
always making someone happy, you always went the extra mile.
I'll never take for granted even the smallest things,
because you Sandy, are truly the wind beneath my wings.
You will eternally be in our hearts and in our minds
I'll treasure every memory not leaving one behind.
If I could have just one more moment with you

I would tell you how much I Love You and exactly what you mean to me.
You were so full of life the way God made you to be.
I wish I could understand why God had to take you away
you were my Earth Angel and you can never be replaced.
I sit and I try to comprehend why,
but I have found myself empty — all I can do is cry.
So as My Special Angel I pray that you will guide me,
we never know what life has in store.
I want to love everyone and be a role model as you were.
I would likewise respect people from every walk of life
though there may be times or situations when I'd have to make a sacrifice.
You were here today and gone tomorrow
a sudden tragedy has left us to mourn in sorrow.
Two weeks ago with your diploma in hand
I watched you proudly walk off the stage.
But as the times turn the page my memories and love you will never age.
I could never imagine your short life would end like this,
you meant so much to everyone you will always be missed.
We will always remember and honor your name,
for there are so many of us that love you
in our hearts SANDY CODEIRO will forever remain.

I Love You Fluff #72

At this time I would like to thank all of you who helped to keep things going during my absense this year. It syrely made things easier when I returned. To my staff, thank you all for being so responsible in doing your jobs without supervision. And most of all to my friend Kathy Conole who, as always, was there to help and fill-in for me. I owe you lunch at LaBoniche.

Also , many thanks to the Business and Graphics Departments and David Saul for getting me out of many tight spots this year.
